### Body Bounce Inflatable Hire Agreement.

These instructions are intended to help your children have a fun time, and ensure their safety. Please read and follow the safety and rental instructions listed, use your own common sense and have a great time!

1. It is the responsibility of the person who is hiring the bouncy castle to ensure that all possible steps are taken to avoid injury to users or damage to the bouncy castle.
2. A responsible adult over the age of 18 must closely supervise the bouncy castle at all times.
3. No adults are allowed on the bouncy castle unless you have hired an adult bouncy castle, otherwise, the bouncy castles have an age limit of 12 years. It is strictly prohibited for both children and adults to be on the bouncy castle at the same time. If children are on the bouncy castle then no adults are allowed on the bouncy castle and vice versa.
4. Always ensure that the bouncy castle is not overcrowded, and limit numbers according to the age and size of children using it. Children of mixed ages should not use the bouncy castle at the same time.
5. Do not allow children or adults to become boisterous, push, collide, fight or behave in a manner likely to injure or cause distress to others.
6. To avoid choking and mess, no food, drinks or chewing gum to be allowed on or near the bouncy castle.
7. All footwear, glasses, jewellery or any other hard, sharp or dangerous objects which could cause damage to other children or the equipment must be removed before using the bouncy castle.
8. No face paints, party poppers, coloured streamers or silly string to be used either on or near the bouncy castle.
9. No smoking or barbeques on or near the bouncy castle.
10. No pets to be allowed on or near the bouncy castle.
11. Climbing, hanging or sitting on walls or beams of the bouncy castle is dangerous and must not be allowed.
12. Do not allow anyone to bounce on the front safety step as a child could easily bounce off the step and get hurt. The step is there to assist users in getting on or off.
- 13) Children must use slides one at a time, must not climb on the sides of the slide or climb up the slide.
- 14) Slides should be used in a sitting position, feet first – do not allow jumping from the top of the slide.

- 15) Safety mats must be positioned at the bottom of the slide.
- 16) Ensure that mats supplied with the equipment remain where they were positioned during installation.
17. Ensure that no one with a history of back or neck problems is allowed on the bouncy castle as indeed any child who is feeling unwell or taking medication.
18. If the bouncy castle is not being used for any part of the day, please switch the blower off at the mains.
19. Do not allow anyone to be on the bouncy castle during inflation or deflation or whilst deflated.
20. Please warn children of the tie down points (if appropriate) and make the area behind the unit, where the electrical blower is sited, out of bounds for children.
21. The bouncy castle should not be used if it becomes wet on the jumping area. If no shower cover is fitted and in the event of rain, the bouncy castle should not be used.
22. In the event of heavy rain, the bouncy castle must be switched off. Any wetness, including bubbling (which is normal) can be dried with a towel once it has stopped raining.
23. Should the equipment fail for any reason, please ensure all users get off the bouncy castle immediately.
24. No unauthorised person should move the bouncy castle or tamper with the electrical equipment.
25. The inflatable must be returned in an acceptable condition, i.e. clean, unsoiled and undamaged. If it is badly soiled or damaged the hirer will be expected to pay an additional charge to cover the cleaning costs and our loss of earnings if the inflatable is rendered out of commission for any reason.
26. If you are unsure about anything, please contact us on the numbers on this hire agreement.
